## TERMS AND CONDITIONS

**LIMITED LIFETIME COVERAGE:** This Limited Warranty extends only to a purchaser of Union Corrugating's Stoneshield stone-coated steel shingle panels (Stoneshield) who has been issued a Limited Warranty Certificate and paid for the Stoneshield in full (the "Purchaser"), and to subsequent owners of the property to which the Stoneshield is originally affixed after purchase (the "Property"). Subject to the terms, conditions and limitations herein, Union Corrugating (Union) hereby warrants that for the lifetime of Purchaser during Purchaser's ownership of the Property or, if the Property is transferred by Purchaser, for fifty (50) years from the date of installation of the Stoneshield, the Stoneshield will be free from manufacturing defects in workmanship and materials such that:

- Each Stoneshield will withstand winds of up to 120 miles per hour;
- Steel substrate on Stoneshield will not burn, and will not be penetrated by hailstones less than two and one-half inches (2.5") in diameter such that the Stoneshield are no longer weatherproof; and
- The appearance of the surface coating of Stoneshield will not materially deteriorate beyond normal weathering and aging, including minor granule loss over the extended life of the warranty.

**EXCLUSIVE REMEDY:** In the event any Stoneshield fails to meet the above standards, Union will either provide repairs to the Stoneshield, or will provide replacement products, at Union's option and at its sole discretion. Union reserves the right to require you to pay its reasonable costs and expenses incurred in performing any physical inspection of Stoneshield that are subject to a warranty claim, although any such payment will be refunded in the writing by Union. This is the sole and exclusive remedy under this Limited Warranty, and in no event shall Union have any liability for any consequential, incidental, economic, indirect, special, or punitive damages or losses of any kind whatsoever. (Advisory: some states do not allow the exclusion or limitation of incidental or consequential damages).

**REGISTRATION AND TRANSFER:** After it has been registered to Purchaser, this Limited Warranty automatically transfers to a subsequent owner of the Property, and you do not have to notify or contact Union in order to transfer this warranty protection. This is a valuable provision of your Limited Warranty and enhances the value of your Property. We encourage you to keep this Limited Warranty with your permanent records in a safe place, along with your Warranty Certificate and/or Confirmation of Change, Warranty Request Card and all records relating to payment and installation.

**NO OTHER WARRANTIES:** This Limited Warranty is the only warranty given by Union, and no other warranties of any kind have been made with respect to the Stoneshield. (Advisory: some laws do not allow limitations on certain implied warranties). This warranty gives you specific legal rights, and you may have other rights which vary from state to state.

**CLAIMS PROCEDURE:** If you experience a problem with Stoneshield that you believe is covered by this Limited Warranty, please contact us promptly via phone at (888) 685-7663 and provide us with your name, address, telephone number, your warranty certificate number, and a specific detailed description of the defect or problem, as well as any other information or materials you believe is relevant. As a condition of coverage under this Limited Warranty, you must notify Union of any problem or defect within thirty (30) days after you discover or reasonably should have discovered it.

## **OTHER TERMS, CONDITIONS, DISCLOSURES AND LIMITATIONS:**

1. While we expressly warrant that the Stoneshield are free from manufacturing defects as set forth above, the performance of your Stoneshield is largely dependent on the manner in which it is installed and cared for. Consequently, this Limited Warranty shall not apply to any of the following circumstances:
  - Damage caused by improper installation, or the installer's failure to follow Union's installation standards or instructions, or reasonable professional installation procedures. We recommend that you ask your installer or contractor about warranties covering installation, as Union does not in any way warrant or guarantee such services. We recommend that you have roofing products installed by a professional who has attended manufacturer training courses, although such training is neither required for the warranty nor a guarantee of proper installation.
  - Union Products that have been damaged, modified, altered or changed in design or function after shipping from Union's facility, or used or installed for a purpose other than roofing.
  - Damage or change in appearance caused by any of the following: foot traffic or foreign objects, climate-specific conditions (such as mold or mildew from moisture or humidity), the application of cleaning fluids, coatings or chemicals not specifically approved and authorized by Union, or the failure or movement of the structure of the Property on which the Stoneshield are installed.
2. Dealers, distributors and installers of Stoneshield are independent contractors and not agents of Union for any purpose, and not authorized to extend other warranties on behalf of Union, or to modify the terms of this Limited Warranty in any manner.
3. This Limited Warranty shall be void in the event of repairs or modifications made by any person to the Stoneshield that are not first approved in writing by Union, except necessary temporary emergency repairs.
4. If any provision of these Terms and Conditions is held by a court of competent jurisdiction to be invalid, void or unenforceable, the remaining provisions shall nevertheless continue in full force and effect.
