

MasterQuote Online Order System

MasterQuote is an advanced online system that allows you to easily generate estimates, price jobs, create custom quotations, and enter orders.

Features Include:

Online Pricing Database

Your secure login gives you access to your current pricing for all Union products. No need to call the plant for price confirmation.

Customized Quoting

The quoting feature allows you to create customized quotations for your customers that even incorporate your logo. You can choose how much to mark-up your quote and whether to show itemized or lump-sum pricing.

Easy Online Ordering

Once you're ready to order there's no need to re-create your work or fax anything to the plant. Simply retrieve the quote you're ready to order and click "Submit Order".

No Software to Download

MasterQuote is a cloud-based program which means there's no software to download and you can access it anywhere you have an internet connection, even on mobile devices.

Unlimited Users

You can set up accounts for as many people as you like. All you need are unique e-mail IDs for each user.

FastQuote Budgetary Estimate Tool

Allows you to quickly generate budgetary estimates for the total price of a metal roofing package based on square footage and roof complexity.
