

Helpful Tools: Videos and Apps

At Union, we've used our technical expertise to develop some of the most helpful installation tools in the industry. We are the only major manufacturer of metal roofing that carries the applicable roofing contractor licensing for every state we do business in, ensuring that we have the latest codes and techniques. Providing these tools is another way we have focused on our mission of being the most convenient supplier to our customers.

MyMetalRoof Install Wizard App

Download our free app for iPhone or iPad from our website or through the iTunes App Store. The app lets you view and download all of our installation videos on your mobile device.

MyMetalRoof Visualizer App

Union's Visualizer App is the most advanced in the industry, using state-of-the-art image mapping integrated into the iPad touch screen technology—taking the guesswork out of your roof choices before you buy. Our Visualizer App lets you visualize your home with a metal roof quickly and easily. Simply upload a photo of your home, follow the directions, and you can see what your home will look like with Union's full range of metal roof styles and colors. Download our free app for iPad from our website or through the iTunes App Store.

Installation Videos

Union's 3D digitally animated installation videos take you through every step of the installation process and are broken down into easy-to-follow segments. They can be viewed both on our website and on YouTube.
