MetalPro™ Program Overview

A MetalPro™ roofing contractor is committed to providing a high level of customer service, promoting the benefits of metal roofing, and using high quality, manufacturer recommended installation techniques and materials. MetalPro™ contractors belong to America's #1 factory trained residential metal roofing contractor network and have access to many benefits designed to help them grow their business and distinguish themselves from the competition.

MetalPro™ Program Benefits

FACTORY TRAINING

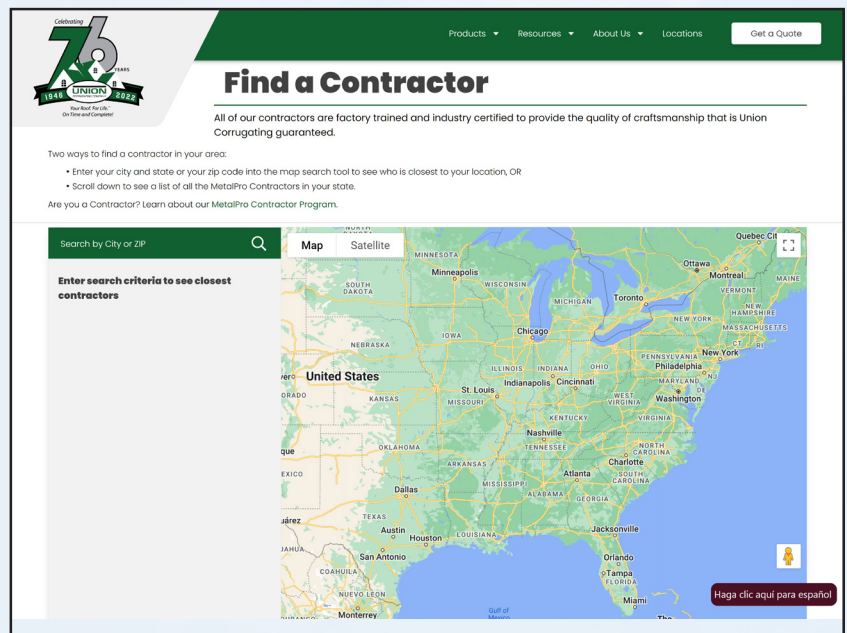

Receive a full day of installation training for through-fastened and screw flange standing seam products. MetalPro™ contractors must attend this class prior to being listed on the website contractor finder. Classes are held periodically throughout Union's service area.

SALES LEADS

MetalPro™ contractors who complete the installation training class are listed on Union's website Contractor Finder. Union's site receives thousands of inquiries each month, so it's a great way to generate qualified leads.

REWARDS

Receive a 10% rebate of up to \$1,500 on your first order once you join, and rewards dollars equal to 1.5% of your Union metal roofing purchases.*

Become a MetalPro™ Certified Contractor Today!

TWO WAYS TO SIGN UP

1. Fill out the enclosed paper application and mail or email it using the contact information below.

2. Apply online:

unioncorrugating.com/metal-pro

*If approved, the initiation fee is \$250.**

We're confident it will be one of the best investments you've ever made for your business!

*Fees and reward incentives are subject to change.

Helpful Tools: Videos and Apps

Your Roof. For Life!
On Time and Complete.™

At Union, we've used our technical expertise to develop some of the most helpful installation tools in the industry. We are the only major manufacturer of metal roofing that carries the applicable roofing contractor licensing for every state we do business in, ensuring that we have the latest codes and techniques. Providing these tools is another way we have focused on our mission of being the most convenient supplier to our customers.

MyMetalRoof Install Wizard App

Download our free app for iPhone or iPad from our website or through the App Store. The app lets you view and download all of our installation videos on your mobile device.

Try our new bilingual English/Spanish website and visualizer tool: unioncorrugating.com

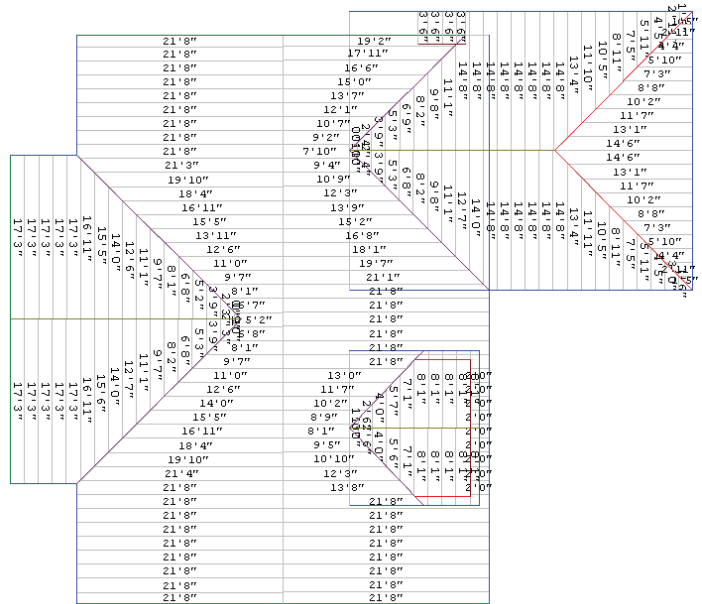

Features include

- 3D Viewer
- First in Industry Before/After Viewer for side-by-side comparison/slider
- Users can sample projects or upload their own image(s) for the purposes of applying roofing, siding, and trim to exterior building/home scenes.
 - All colors and 3D panel types included
 - Create a Design Report Option Available

Installation Videos

Union's 3D digitally animated installation videos take you through every step of the installation process and are broken down into easy-to-follow segments. They can be viewed both on our website and on YouTube.

Topview

Union's Topview services are used to minimize waste, create professional looking proposals, and ease ordering and installation. Custom cutlists, panel layouts, and 3-D views are included in Topview packages.

Manufacturing facilities strategically located for FAST and RELIABLE SERVICE
